His Personal Experience. Hon. James W. Husted, while serving his sixth term as speaker of the assembly of the state of New York, writes:

"STATE OF NEW YORK, ASSEMBLY CHAMBER, ALBANY, Jan. 16, 1890.

I desire once more to bear my testimony to the value of Acker's Purgative. I have used them for twenty-five years, past, and can conscientiously commend them as the best external remedy that I have known. Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. attack of rheumatism to such an extent that I could scarcely raise my arm. I again resorted to the plaster, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a sovereign remedy, both for external and internal troubles. I never had but one kidney difficulty in my life, and the application of the plaster cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing it than by giving you my personal experience."
